Dear Sir or Madam:

Winship Cancer Institute of Emory University, as part of Emory Healthcare, respectfully requests your company to support a table top exhibit at the 10th Annual Oncology Nursing Symposium at the Atlanta Evergreen Conference Resort on March 16-17, 2018 in Stone Mountain, Georgia. All exhibit levels include: a 6ft table; complimentary registration(s) based on level selected; entrance to the meeting sessions, breakfast, lunch, and breaks; company listed in all symposium materials; and a final attendee list.

The following levels are available based on proximity and visibility to the main meeting room:

$5,500 – Gold Level  
4 complimentary registrations for a total of 4 representatives (limited to 6 exhibits total)

$3,000 – Silver Level  
3 complimentary registrations for a total of 3 representatives

$1,500 – Bronze Level  
2 complimentary registrations for a total of 2 representatives

Exhibit tables will be in place during registration, cocktail hour and dinner Friday evening and all day during the Saturday program. (See agenda for details.) The tables are six feet long and will have a tablecloth. We request that your exhibit remain in place through the duration of the meeting. The exhibit area is located outside of the meeting rooms and there will be multiple pharmaceutical companies exhibiting.

The 10th Annual Oncology Nursing Symposium provides an intimate learning environment where the varied facets of oncology nursing will be explored, including the latest trends in early detection of cancer, chemotherapy safe handling, pancreatic cancer, nursing research, cardio oncology, new oral agents, cardio oncology, genetics and much more. Nationally recognized speakers will review clinical experiences and provide updates on current research in nursing practice. The symposium will update healthcare professional on the emerging trends in oncology nursing clinical practice and research, and will provide participants with practical strategies and hands-on tools to improve their nursing practice.

We anticipate attendance of 400 nurses, nurse practitioners, physician’s assistants, and other healthcare professionals involved with the care of oncology and hematology patients from the southeast, including metro Atlanta community practices, academic centers, and nursing schools.

This live activity is approved for up to 8 contact hours through Emory Nursing Professional Development Center (ENPDC). It is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. No conflict of interest has been found with the speaker for this CNE activity nor with the members of the planning committee. Partial credit hours are available for attending only one day of the two-day symposium.
Upon completion of this educational activity, participants should be able to:

1. Identify the history and findings related to health care worker exposure to hazardous drugs
2. Identify best practices related to safe handling
3. Understand the impact of USP 800 on nursing practice as it relates to hazardous drug exposure
4. Discuss the role of the nurse in identifying and treating CRS and neuro side effects
5. Identify common side effects of chemotherapy and radiation
6. Describe common questions to ask when assessing side effects
7. Identify interventions used to help manage and decrease side effects
8. Understand CAR-T Cell Therapy mechanism of action
9. Define CAR-T Cell Therapy indications
10. Name two acute complications of CAR-T Cell therapy
11. Stratify Cytokine Release Syndrome (CRS) severity based on Grading Scale
12. List at least one CRS Therapy Options
13. Name one element of CAR-T Cell Management long-term
14. Recognize Cardiotoxic side effects of anthracycline & Herceptin
15. Optimize treatment for prevention/treatment of cardiomyopathy due to cardiotoxic agent
16. Understand surveillance for cardiotoxicity in survivors
17. Connect and communicate with others more effectively by using empathy, clarity, and humor
18. Review our understanding of how we deliver patient centered care to day and in the future
