

7th Annual BMT Winter Workshop

November 30th, 2018

San Diego, CA

Free Registration: <https://winshipcancer.emory.edu/bmt-workshop>

Once registered, please bring your confirmation email to the meeting as your entrance ticket.

Hosted by:

Co-Chairs Marcel van den Brink, MD, PhD (Memorial Sloan Kettering Cancer Center) and Edmund K. Waller, MD, PhD (Winship Cancer Institute of Emory University) will host the 2018 workshop at the San Diego Natural History Museum (The NAT) one day before the annual ASH Meeting. The museum is a convenient 3 miles from the San Diego Convention Center. Transportation to the event will be by walking or Uber/Lyft/Taxi. The NAT is located in Balboa Park, near the intersection of Park Blvd and Village Place, just south of the San Diego Zoo.

Workshop Format:

18 rapid fire talks about recent unpublished clinical and preclinical data pertinent to hematopoietic stem cell transplantation.

Co-Chair:

Edmund K. Waller, MD, PhD, FACP
Winship Cancer Institute of Emory University
