

November 20, 2018

Dear Sir or Madam:

Winship Cancer Institute of Emory University, as part of Emory Healthcare, respectfully requests your company to support a table top exhibit at the 11th Annual Oncology Nursing Symposium at the Atlanta Evergreen Conference Resort on March 15-16, 2019 in Stone Mountain, Georgia.

The following levels are available based on proximity and visibility to the main meeting room:

*****\$9,000 – Platinum Level includes 6ft table and/or room for exhibits (limited to 2 exhibits total)**
4 complimentary registrations for a total of 4 representatives, entrance to the meeting sessions, breakfast, lunch, and breaks; company listed in all symposium materials; and a final attendee list.

The remaining exhibit levels include a 6ft table; complimentary registration(s) based on level selected; entrance to the meeting sessions, breakfast, lunch, and breaks; company listed in all symposium materials; and a final attendee list.

\$5,500 – Gold Level

4 complimentary registrations for a total of 4 representatives (limited to 5 exhibits total)

\$3,000 – Silver Level

3 complimentary registrations for a total of 3 representatives

\$1,500 – Bronze Level

2 complimentary registrations for a total of 2 representatives

Exhibit tables will be in place during registration, cocktail hour and dinner Friday evening and all day during the Saturday program. (See attached agenda) The tables are six feet long and will have a tablecloth. We request that your exhibit remain in place through the duration of the meeting. The exhibit area is located outside of the meeting rooms and there will be multiple pharmaceutical companies exhibiting.

The 11th Annual Oncology Nursing Symposium provides an intimate learning environment where the varied facets of oncology nursing will be explored, including advances in multiple myeloma, views on nursing in the 21st century, coping and spirituality in African American Cancer Patients, End of Life Choices, Oncologic Emergencies, Fertility Preservation, Managing Side Effects of Treatment, Nurses Role in Clinical Trials, emerging perspectives patient engagement in cancer care, evaluating the needs of cancer survivors understanding proton beam therapy and much more. Nationally recognized speakers will review clinical experiences and provide updates on current research in nursing practice. The symposium will update healthcare professional on the emerging trends in oncology nursing clinical practice and research, and will provide participants with practical strategies and hands-on tools to improve their nursing practice.

We anticipate attendance of 400 nurses, nurse practitioners, physician's assistants, and other healthcare professionals involved with the care of oncology and hematology patients from the southeast, including metro Atlanta community practices, academic centers, and nursing schools.

This live activity is approved for up to 8 contact hours through Emory Nursing Professional Development Center (ENPDC). It is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. No conflict of interest has been found with the speaker for this CNE activity nor with the members of the planning committee.

Upon completion of this educational activity, participants should be able to:

1. Identify advances in multiple myeloma
2. Understand nursing in the 21st century
3. Understand coping and spirituality in African American Cancer Patients
4. Identify end of life choices
5. Discuss treatments of oncologic emergencies
6. Identify successful process for saving or protecting eggs during treatment
7. Understand how to manage side effects of treatment
8. Review the nurses role in clinical trials
9. Understand patient engagement in cancer care
10. Identify the needs of cancer survivors
11. Understand proton beam therapy
12. Understand Onco Fertility
