The Lymphoma Research Foundation's Lymphoma Workshop provides the latest information about lymphoma and chronic lymphocytic leukemia, current treatment options and support topics to lymphoma patients, caregivers and loved ones across the United States.

The Atlanta Lymphoma Workshop is the premier education and networking forum in the region.

Registration is required. Breakfast, lunch and refreshments will be provided for all registered attendees.

**Program Chair:**  
**Christopher Flowers, MD, MS**  
Director,  
Emory Lymphoma Program  
Winship Cancer Institute of  
Emory University

## Reasons to Attend

- Learn about your specific type of lymphoma, treatment options, clinical trials and novel concepts during the disease-specific breakout sessions.
- Hear a variety of presentations and have your questions answered from our expert speaking faculty comprised of lymphoma specialists and patient support experts.
- Meet other people with your same type of lymphoma during breakfast, lunch and breakout sessions.
