

ROLE OF PALLIATIVE AND SUPPORTIVE CARE IN ONCOLOGY

A Winship Cancer Institute of Emory University webinar

Monday, June 21, 12:00 p.m.

Palliative and supportive oncology helps patients and their caregivers with the emotional, psychosocial, physical and spiritual aspects of dealing with a cancer diagnosis and treatment. In this live webinar, Winship specialists Kimberly Curseen, MD and Ali Zarrabi, MD will discuss the role of supportive and palliative oncology in a multidisciplinary team setting.

Kimberly A. Curseen, MD

Director, Supportive and Palliative Care Outpatient Services
Emory Healthcare

Associate Professor, Department of Medicine
Emory University School of Medicine

Ali J. Zarrabi, MD

Supportive and Palliative Care Researcher
Assistant Professor, Department of Medicine
Emory University School of Medicine

Webinar is intended for referring physicians, community oncologists and healthcare professionals.
