

UGA-Winship Cancer Research Summit

July 17, 2023 | Athens, GA

The UGA-Winship Cancer Research Summit will focus on exploring the strengths and synergies of the two institutions, sharing knowledge, and partnering for impact in the state of Georgia and beyond.

Monday, July 17, 2023

8:30 a.m. - 5:00 p.m.

UGA Pharmacy South Building

250 West Green Street NW

Athens, GA

Students, trainees and research faculty are encouraged to attend.

Program Highlights

- Keynote presentation by Nicole Lopianik, PhD, of the American Cancer Society
- Student/trainee presentations from each university
- Faculty presentations spanning basic, translational, clinical and population sciences
- Poster session reception featuring student and trainee research

Poster Abstract Deadline Extended (due July 7)
