We also have the Friday night cocktail hour, breakfast Saturday morning, and two Saturday snack times that can be sponsored. They would receive the corresponding vendor level and may display company advertisements during the sponsorship times. Contact Monique Jones at 404-778-5303 if you are interested in funding one of these events during the symposium.

The 16th Annual Oncology Nursing Symposium provides an intimate learning environment where the varied facets of oncology nursing will be explored. Speakers will review clinical experiences and provide updates on current research and trends in oncology nursing practice. We anticipate attendance of 350+ oncology nurses, Advanced Practice Registered Nurses, and other health care professionals involved with the care of oncology and hematology patients from the southeast, including metro Atlanta community practices, academic centers and nursing schools.

This live activity will be approved for a minimum of 10 contact hours through Emory Nursing Professional Development Center (ENPDC), accredited by the American Nurses Credentialing Center's Commission on Accreditation. The sessions will be recorded and available for viewing after the symposium only for Saturday

attendees. A link will be sent, and partial credit is available.

To participate as an exhibitor, [please register online](#) and select the EXHIBITORS/SPONSORS registration option for this event. Credit card payments will be processed through Emory and a receipt will be sent to the email that is used to register.
