

# Explore Postdoctoral Opportunities in Cancer Research

On-Campus Event  
Atlanta, Georgia  
March 12-13, 2026

## ACCEPTING APPLICATIONS

### Discover your future in cancer research

Winship Cancer Institute of Emory University invites outstanding doctoral candidates with a strong interest in cancer research to apply for an immersive on-campus event to learn about postdoc opportunities.

Selected attendees will:

- Connect with leading cancer researchers and potential faculty mentors
- Discover Emory's robust career development and postdoctoral support programs
- Explore Winship's dynamic research environment and infrastructure supporting over \$1 billion in funded research annually
- Experience Atlanta—"The City in the Forest"—a vibrant hub of innovation and culture in the Southeast
