Winship Oncology Nursing Symposium

2026 Partner Opportunities

We invite you to partner with us for the 2026 Winship Oncology Nursing Symposium.

- Theme: Caring Beyond the Cure: Advancing Oncology Nursing Across the Cancer Continuum
- Attendees will benefit from an intimate learning environment and the opportunity to meet and learn from local, national and internationally recognized oncology leaders.
- Presentations and breakout sessions will explore current research and trends in oncology nursing practice.
- Participants will gain insight and strategies to translate evidence-based learning into clinical practice.

The 17th Annual Oncology Nursing Symposium provides an intimate learning environment where the varied facets of oncology nursing will be explored. Speakers will review clinical experiences and provide updates on current research and trends in oncology nursing practice. We anticipate attendance of 350+ oncology nurses, Advanced Practice Registered Nurses, and other health care professionals involved with the care of oncology and hematology patients from the southeast, including metro Atlanta community practices, academic centers and nursing schools.

This live activity will be approved for a minimum of contact hours through Emory Nursing Professional Development Center (ENPDC), accredited by the American Nurses Credentialing Center’s Commission on Accreditation. You will receive your CE certificate at the conclusion of the event.

To participate as an exhibitor, register here and select the EXHIBITORS/SPONSORS registration option for this event.

- Credit card payments will be processed through Emory and a receipt will be sent to the email that is used to register.
- To pay by check or ACH, an invoice will be sent and will include payment information. If your company has not received an invoice within 5-7 business days from registration, please reach out to Amy O’Dell.

Please email amy.wojcik.odell@emory.edu with any questions.
